Your Currency Exchange/ Zim Redemption Appointment:

- Humanitarians ask for the rate of redemption for the Bonds, and other pertinent requests. The Alliance has said they will contact the Humanitarians to schedule their Redemption Appointment wherever they live.
- You need two forms of ID, including a picture ID, a utility bill to prove your correct address
- If you have receipts for your currency/Zim Bonds, bring them to the appointment
- If you have a Humanitarian Project, bring a 5-10 page summary of your Business Plan
- You need to have an honest enthusiasm for your project.
- Most Redemption Centres are likely to be within 50 miles of your home.
- Tier 4B will have ten days to make their appointments in order to receive special rates. After that, you can only go to a bank to exchange at the lower international rate.

Your Currency Exchange/ Zim Redemption Appointment:

- Registration Fee (RSS) A one-time fee of \$10 is required to create a Beneficiary account. Once the fee is paid, the Beneficiary has done all that is required to receive funds for the rest of their life. It is not a government dole or charity, it is a Gift from the Benefactor who is paying them. The small fee goes into the Benefactors Master Account. It is not a source of income for the Benefactor.
- The RV and the Redemption Funds. ALL Exchanged Currencies as well as all Zim Redemption funds will be placed in the accounts they set up in the Quantum Financial System. Absolutely none of these funds will be placed in a Bank at the redemption appointment. Bank computers cannot be programmed to transfer Digital Gold Certificates. The QFS can and will transplant funds into a bank account, so a person can transfer funds to their own bank account, but the desirability will become less and less as the banks go into receivership and their customer's deposits are confiscated to avoid the Bank's demise.

The Appointment Process:

- The Appointment Process is easy but needs prior preparations to be successful. It behooves each Zim Holder to quit listening to the disinformation and prepare for the appointment with a very positive thought process. The most important bit of knowledge is that the Alliance is backing us, 100%. We are the ones they are depending on to do the heavy lifting of mankind out of poverty and back into financial freedom, worldwide. We take over when the Alliance has cleared the battlefield and eliminated the bad characters.
- They can not do the Humanitarian work themselves because we are the ones who have been chosen to receive the money and get the job done. We are the ones the Alliance has been praying for to put on our full Humanitarian Amor and join in the process. The Alliance would never short us on the funds needed to do our work. It is our turn.

The Appointment Process:

- Prepare your presentation in a three-ring binder, one for each person you want to take to the presentation and one for the interviewer. Prepare to leave the interviewer his/her binder. Use tabs to separate the documents.
- There is no requirement for a Trust to be used for the redemption appointment, however, if you want one and don't have a Trust, the Alliance Agent will have a blank Revocable Trust document that you can use to establish a Trust at the Appointment. All you will need is the Name of the Trust, the Beneficiary, and the Trustee(s). You can request a QFS Account for the Trust so you can make your deposit.

The Ring Binder (2 or better 3 copies of this):

- Your Bullet Point Presentation: Short bullet-point presentation of your Personal Projects you want – 5 to 7 minutes. Once you have given the bullet point presentation, it's time to let the interviewer ask questions. Don't talk unless asked a question. Dress well. Sit up straight. Be positive. Listen closely to the questions and be sure your response is on point to the question. Take notes.)
- Executive Summary/Business Plan (Optional)
- Your LLC or other documents that establish your structure if you have them. (A revocable trust documents will be made available at the appointment to temporarily use as your structure to receive the funds.)
- There are no requirements from the Alliance for you to have a trust.

Closing thoughts:

- Once you have gone through the requests and the bullet points, there is very little for you to explain.
- The QFS Agent. will probably not want to read through pages of information, They will only scan to see what you are presenting. Have it available to read if they want.
- Understand that the way you organize your request will be a show of your intent.
- Be positive and respectful but expect your requests to be fulfilled.
- Have some questions written down about how to interface with the QFS to set up new accounts and transfer or access your funds.
- The QFS Agent should give you a website address where it will explain the QFS and how to use it in support of your projects, so put some extra sheets of paper in your binder to take notes.

- Be confident and show enthusiasm for your project.
- Show them that you are capable and willing to fulfil your project.
- When preparing your business plan, keep it down to a few pages, no more than 10.
- Use bullet-points and images to explain each point. <https://pixabay.com> is a good source of free images.
- If you are required to sign an NDA, keep to it. Breaching the NDA can result in you losing your funds.
- Once you have your funds, buy enough food and supplies for a year.
